

## Pres Says:

July 2021

As we enter July it is exciting to see our state reopening and getting back to a new normal. Shows and events are starting to get going, we hope to see you out with your cars soon.

June's drive to the Aircraft Museum in Moriarty was a lot of fun, we had 8 cars make the trip, several with their top down in the 100-degree heat!!

I just recently started a new project detailing the engine compartment on my brown 57, attached are a few before pictures. I hope many of you get inspired to start working on your cars, whether is a new project you have been putting off or completing the one you started and haven't finished. It is time to get motivated and work on those Thunderbirds!!

Don't forget about the "Cars and Coffee" show held at Grace Church on San Antonio, this month it will be Saturday July 10<sup>th</sup> at 8:30am, come out and join us.

Stay safe – see you soon!!
